PDMP Education Workgroup

- Progress
  - Workgroup finalized below topics for face-to-face education for prescribers:
    - How to effectively build the PDMP into clinical workflows;
    - How to effectively use the PDMP data to make informed clinical decisions and refer patients to treatment;
    - How to safely taper high doses of opioids to recommended levels; and
    - How to create a culture of change and promote the above strategies in their respective clinical settings.
  - University of Pittsburgh (U Pitt) creating the education materials through a state master agreement; Quality Insights (QI) will deliver the education

Community Health Nurse Outreach Survey

Visit Status

34.9%

61.4%

3.7%

Completed | Not Completed | Not Visited

34.9% of the 1850 visits were completed*

Stocking Narcan by District

36.5% n = 63

39.7% n = 78

48.0% n = 200

54.1% n = 133

58.7% n = 138

44.9% n = 78

Of the 690 pharmacies that gave a response 338 (49.0%) stocked Narcan

Registered for PDMP by District

100% n = 62

92.3% n = 78

96.1% n = 204

97.8% n = 135

97.1% n = 139

97.4% n = 77
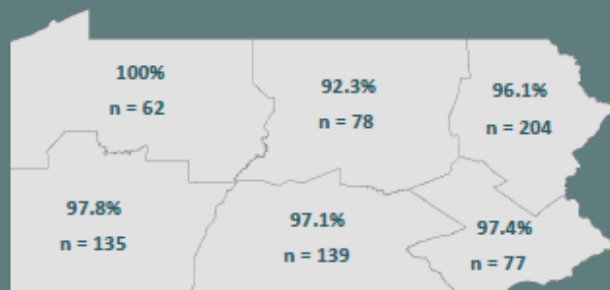

Of the 695 pharmacists that gave a response, 672 (96.7%) were registered for the PDMP

Of 23 respondents not yet registered,

12 rated their likelihood of registering at 10/10

8 do not dispense controlled substances or did not report whether they do

3 others did not change rating for likelihood of registering (ratings: 6, 4, 1)

PDMP Program Enhancements

- Priority 1 – tentative release date mid-May 2017

  The PDMP Office is working towards building an additional security enhancement for the PDMP system for both new and current users.

- Priority 2 – tentative completion by end of May 2017

  The PDMP Office will connect with neighboring states for interstate data sharing to allow users to query prescription histories outside of PA.

PDMP System Integration

- Progress
  - PDMP Office has finalized the funding and strategy plan.
  - Developed an outreach survey to understand health care entity readiness and resource availability. Target release date = by end of April 2017.
  - Finalizing Appriss statement of work prior to beginning the work.

PDMP Data Sharing Policy Proposal

Carrie Thomas, PhD
Ashley Parsons, MPH

pennsylvania
DEPARTMENT OF HEALTH

Purpose

- Share data for the purposes of improved:
  - Prevention
  - Intervention
  - Treatment
- Protocol to ensure:
  - Data integrity
  - System integrity
  - Consistent and objective process

Background

- Frequent data requests
- Act 191
  - Board maintains the power and duty to review program for the purposes of compiling statistics, research, educational materials, and outreach
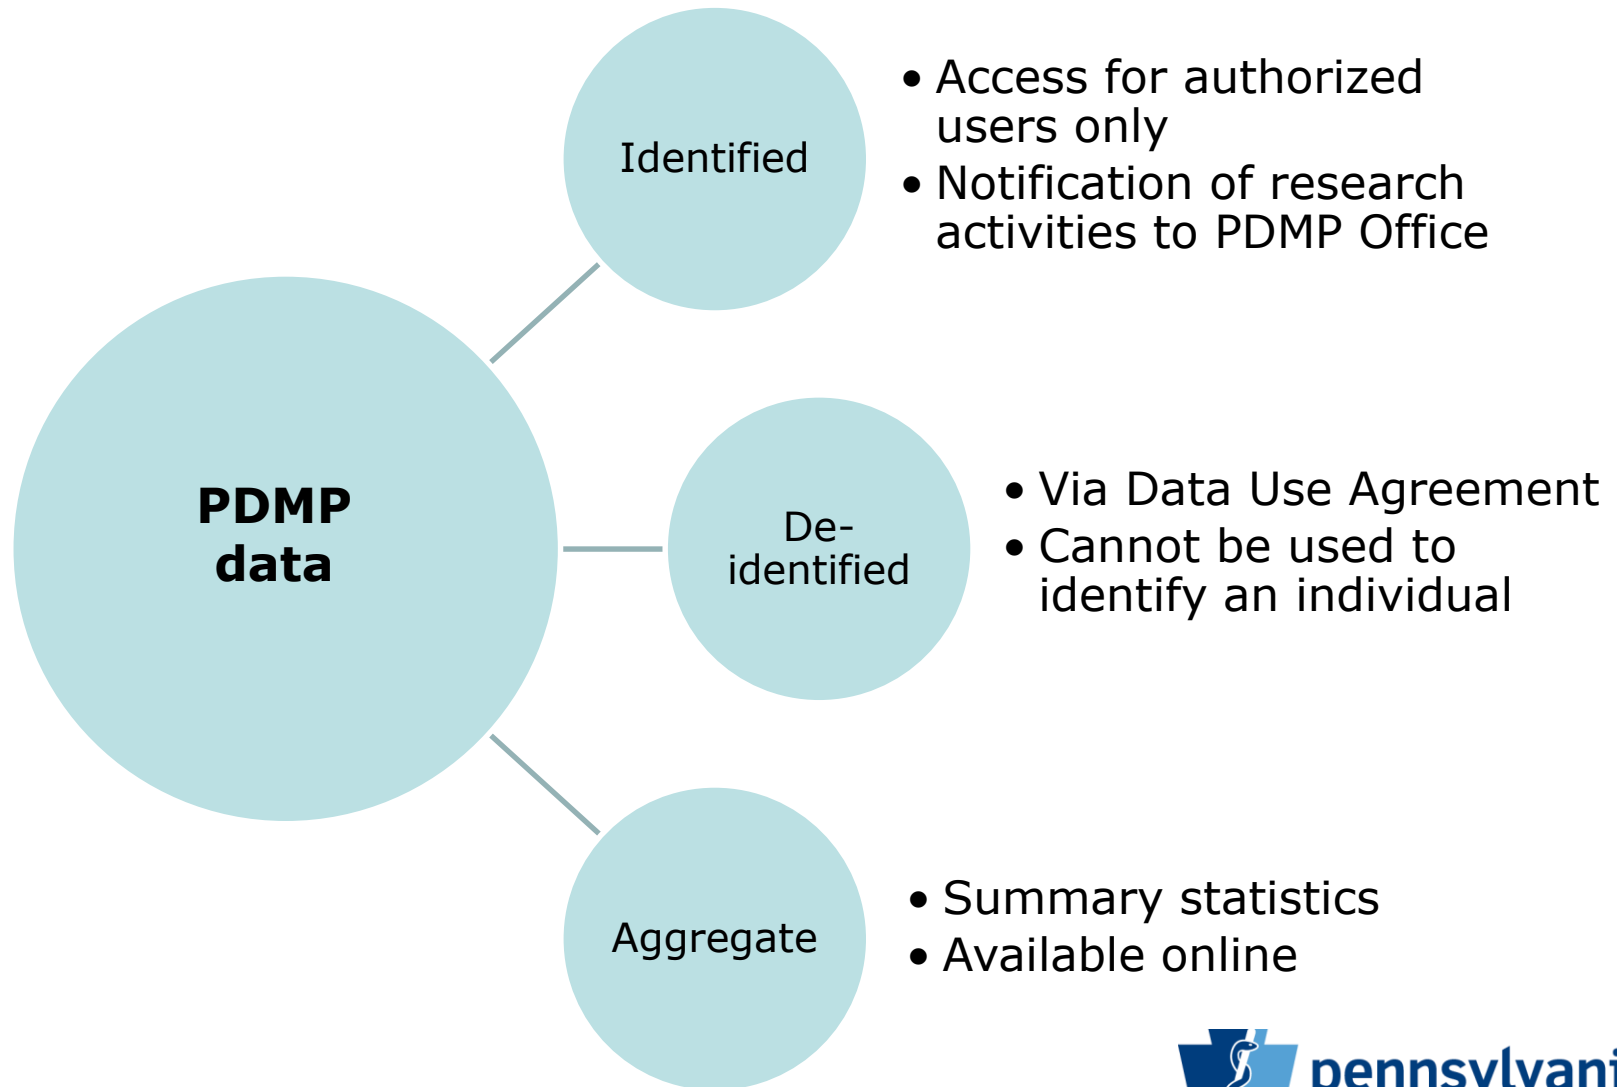

pennsylvania
DEPARTMENT OF HEALTH

Methodology

- Outreach to:
  - Other state PDMP Offices
  - Data requestors
    - Universities
    - County health departments
    - Insurance companies
- Review of existing DOH program policies
  - Vital records
  - Cancer registry
  - Enterprise Dissemination and Informatics Exchange (EDDIE)
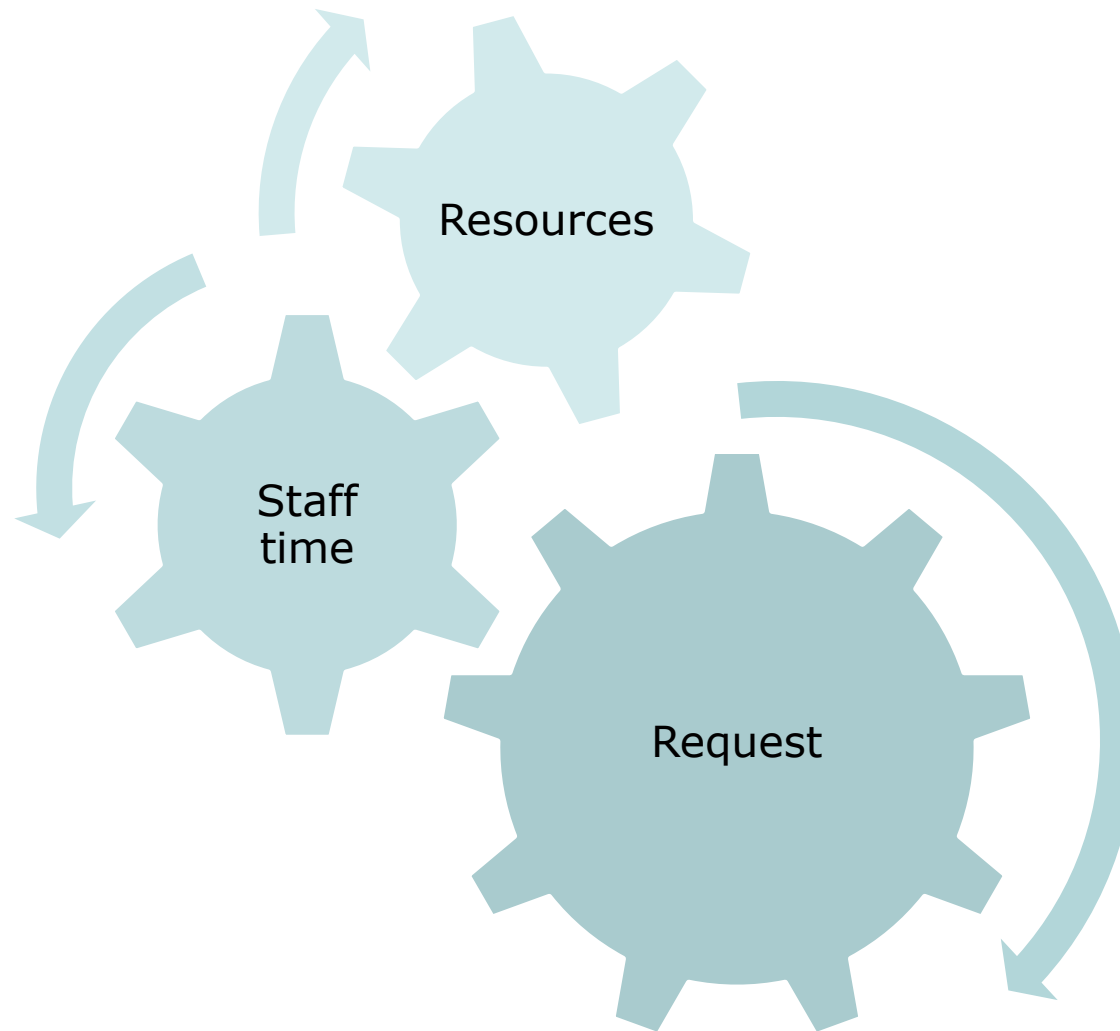

Intent

Create a PDMP Office data sharing protocol to ensure any data sharing activities fulfill the public health mission of the DOH and the intent of the ABC-MAP program, pursuant to Act 191.

Considerations

Types of Data

PDMP data

Identified
- Access for authorized users only
- Notification of research activities to PDMP Office

De-identified
- Via Data Use Agreement
- Cannot be used to identify an individual

Aggregate
- Summary statistics
- Available online

pennsylvania
DEPARTMENT OF HEALTH

Revenue Model

Data Use Agreement

- Mutually agreed upon terms & conditions
- Outline of responsibilities
- Includes:
  - Descriptions of allowable use
  - Frequency of data exchange
  - Provisions for reporting violations
  - Privacy and security provisions
  - Agreement on specific data elements to be exchanged

pennsylvania
DEPARTMENT OF HEALTH

Publication Rights

- PDMP Office reserves the right to review any publications using PDMP data
- Data disclaimer
  - EDDIE Example
    - *"These data were provided by the Pennsylvania Department of Health. The Department specifically disclaims responsibility for any analyses, interpretations, or conclusions."*
